2005 POSTER/MAP CONTEST

Give your map or poster the attention it deserves! Here is your chance to brag about your project!

Come; present your map or poster. Show your colleagues what you have been doing! Earn great prizes!

All entries will be on display starting Tuesday morning, May 10 through Wednesday, May 11 at noon. Please have your entry on display by Tuesday noon. Only conference attendees may enter. Entries will be judged by attendees. (If you have registered, yet cannot attend, please send your poster by Tuesday noontime).

This year's 5 categories are:

- Current Events of the last year
- Innovation in Analyses / Information Presentation
- Specific Field or Application (e.g. transportation, public services, utilities, etc.)
- Cartographic Excellence
- People's Choice

All posters or maps from the above categories are welcome. Maps/posters can be entered in multiple categories. Please specify which category that you would like your entry entered. All entries are automatically entered into the People's Choice category. For maximum visibility, entries should be no smaller than 24" x 24" or larger than D- or E-size (24" x 34" or 36" x 44"). Include your name, organization and full contact details somewhere on the entry; business cards are fine if they are securely mounted to the presentation. Please mount the poster/map on foam core with room for pushpins at the corners. Lamination is not required.

If you are unable to stay for judging on May 11, your map will be held at the registration desk through Wednesday. Afterwards, it can be collected at the ESRI Seattle office at 100 King Street, Suite 500. Please be certain to include your contact information.

Finally, you do not need to stand with your map/poster during the event. Enjoy the conference!
