24 HOUR SERVICE
On show days electricity will be turned on within 30 minutes of show opening and off at show closing. If you require electricity at any other time you must order **24 HOUR SERVICE** at double the outlet rate.

208 VOLT SERVICE
Add 1 hour minimum labor charge to all 208 volt orders. Material charges may apply. If you require services not listed please call for a quote.

EXHIBITOR EQUIPMENT
All Electrical Equipment must comply with NEC, State & Local Codes. Hollywood Lights is required to refuse connection where exhibitor wiring is not in accordance with electrical codes.

LABOR
Labor charges apply to the following:
A) All 208 volt or higher service
B) All 120 volt outlets above 20- amps
C) In location other than back of booth
D) Electrician to tape down cords
E) Overhead service requests

GFCI PROTECTION
NEC CODE , Dept of Labor & Industries and all City Jurisdictions Require GFCI protection. Exhibitors must provide GFCI protection for electrical features with water including hot tubs, sinks fountains, etc. Hollywood Lights has a limited supply of GFCI protection available for rent.

Credit will not be given for services installed as requested in this order even though not used.
