

Call for Exhibitor and Sponsorship Registration

We are pleased to invite you to exhibit at the upcoming 2008 Washington GIS Conference held May 5th through the 7th at the Northwest Rooms at the Seattle Center in Seattle, WA. Last year we had 250 registered attendees and plan on over 300 conference attendees for our Seattle event this year. We would be honored if you will support our conference by exhibiting your services at a booth and/or providing corporate sponsorship. You can help us make this year's conference the most interesting and engaging ever, and at the same time, your company will benefit by being highly visible to hundreds of local clients through our event and publications.

In our ongoing effort to grow this event, we will be encouraging our attendees to visit the exhibitor hall in several new ways this year. We will be sponsoring a **Monday night social event** in the exhibition hall with complimentary refreshments. We will also coordinate a **raffle** that attendees will enter by visiting all of the exhibitor booths to collect stamps on the raffle ticket, which will enter the attendee in a drawing.

Various levels of Exhibitor registration are available. With any level of Exhibitor Registration, a description of your company's services will be presented in the conference program and on our web site. In addition you will receive first choice at giving a presentation in the vendor track of the conference. Exhibition booth choices will be made in the order that payments are received. Please contact Angela Johnson if you have any questions. vendorsupport@waurisa.org
