

# Call for Workshops

## Washington GIS Conference

The Washington chapter of URISA invite you to submit a proposal to conduct a workshop for the Washington GIS Pre-Conference 2017.

We are seeking instructors to give educational presentations and workshops on a wide range of GIS topics. All submissions are welcome and will be evaluated as a potential workshop focus. Suggested workshop topics include:

Implementation Topics: Transportation, Asset Management, Emergency Services, Cadastral, Mobile GIS, Remote Sensing, Image Processing.

Data Topics: Open Data, Database storage, SQL for Spatial, Big Data.

Process Topics: Map Production, Data Creation, Communication.

Developer Topics: Python, .NET, Arc Model Builder, Customizing Apps, Open Source solution.

May 15-18, 2017

Greater Tacoma  
Convention &  
Trade Center

Workshop details:  
Half-day, Full day and 2 day
